ORDERED,

That the State Controller transfer \$13,000 from the All Other line category to the Personal Services line category within account 013-05A-Z081-11, Teacher Quality for the purpose of covering payroll for the remainder of fiscal year 2017-18; and,

Be it further ordered,
that the State Controller increase the allotment in account 013-05A-Z081-11, Teacher Quality, by \$13,000 in the Personal Services line category and decrease the allotment in account 013-05A-Z081-11, Teacher Quality, by \$13,000 in the All Other line category; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2018", for which this shall be our sufficient warrant.

Statement of Fact

This financial order transfers allotment from the All Other line category to the Personal Services line category in the Teacher Quality account. A shortfall in this account is projected to occur as a result of attrition, collective bargaining, and greater than budgeted employee benefit costs. Funds are no longer required in the All Other line category for the purpose for which they were originally intended. Travel expenses were lower than expected, so unused funds can be transferred to the Personal Services line category to fund the projected shortfall.
